

Positions: Positions available for clinically gifted **Physical Therapists/Occupational Therapists**. Seeking dynamic and energetic therapists motivated to excel in strong and diversified clinical staff. We are looking to grow with quality! Mentorship opportunities are available. There is a strong emphasis on education and support for professional development.

Where: Lynchburg, Virginia. Nestled in the Piedmont of Central VA, Lynchburg offers an active and growing community with easy access to outdoor activities including hiking in the nearby Blue Ridge Mountains/Appalachian Trail. An active biking and running community flourish and the city is aggressively redeveloping its river front area. Numerous colleges and universities in the area promote a diverse culture. Close proximity to Richmond (2 ½ hours), Washington DC (3 1/2 hours), Greensboro (2 hours), Charlottesville (1 hour). Lynchburg was also named in Forbes Magazine's top 25 list of Best Places for Business and Careers.

When: Seeking applicants to start now.

Facility: The new 11,000 sq ft therapy area provides state of the art equipment for physical and occupation therapists to maximize their potential. Enjoy close relationships with the orthopaedic physicians who share an office building and emphasize frequent patient follow up in the clinic to optimize patient satisfaction and enhance learning opportunities for the therapists.

Patients: The patient population will be a broad mix of post operative, sports medicine, active adults, and non-operative cases. We also have a spine center and provide a comprehensive musculoskeletal continuum of care for the patients in our region.

Salary and Compensation: Competitive, Sign on Bonuses and Relocation Assistance available.
